# Student Ministry Internship

2022-2023 Program Information

## What is a student ministry internship?

Student Ministry Internships at Lutheran Campus Ministry are service-learning positions in which students:

- Commit to regular participation in weekly activities at Lutheran Campus Ministry and to helping other students feel welcome and grow more connected to our community
- Provide leadership in our campus ministry community by utilizing specific gifts and skills in a chosen area of service
- Are a part of a small group of fellow student leaders who gather regularly to explore how faith relates to daily life and life in community

## What will I do to serve LCM?

Each Intern will work about 3 hours per week in a specific area of responsibility. Some direction will be given for work, but there will be ample opportunity to be creative and use your own gifts as well.

- **Communications Intern:** The communications intern will assist the Director of Administration with communication to students via digital media.
- **Hospitality & Fellowship (2 positions):** The hospitality & fellowship interns will assist in making students feel welcome at LCM by organizing events based on food and fun.
- **Small Groups (2 interns):** The Small Groups interns will co-lead a group for first year students each year and will serve as hosts when guest leaders facilitate groups at LCM.
- **Worship:** The worship intern will assist with planning and facilitating Thursday night worship services by recruiting leaders and setting up the worship space

## What will I explore and learn with other student leaders?

Student Ministry Interns and Faith and Vocation Fellows meet about twice per month during the academic year. The meetings will take place on Tuesday evenings, normally from 7pm to 9pm.

Each meeting includes:

- A check in time for group conversations and reflection on issues and topics related to daily life
- Conversation on topics related to God's calling in daily life, especially the call to community life
- A short time for meditation on scripture and/or contemplative spiritual practices such as meditation, prayer, etc.
